ORDER
24 CV 4592 (OEM) (CLP)

ADINA MILES,

Defendant.

-----X
POLLAK, United States Magistrate Judge:

On November 26, 2024, the parties appeared before the undersigned for an Initial Conference. At the conference, the Court set a briefing schedule for each of the parties' pending motions.

By **December 9, 2024**, plaintiff is Ordered to file a letter in response to defendant's motion to clarify plaintiff's legal representation status (ECF No. 25).

By **December 16, 2024**, defendant is Ordered to file a letter in response to plaintiff's motion to stay defendant's discovery requests (ECF No. 22). Defendant's letter should address why the requests are relevant and proportional to the issues raised in the case. Defendant should also provide the Court with a copy of its document requests and interrogatories for the Court's review. Plaintiff may submit any arguments in response by **January 20, 2025**.

Plaintiff is required to advise the Clerk of Court in writing of any change of address. Failure to keep the Court informed of plaintiff's current address means that the Court will not know where to contact plaintiff, and this may result in dismissal of the case. For information regarding court procedures, plaintiff may contact the *Pro Se* Office at the United States Courthouse by calling (718) 613-2665. The Court has included with this Order a flyer providing information about the Court's *Pro Se* Legal Assistance Clinic. Plaintiff can also find more information tailored to *pro se* litigants on the Eastern District of New York's website.

The Clerk is directed to send copies of this Order to the parties either electronically through the Electronic Case Filing (ECF) system or by mail.

SO ORDERED.
